OFFICE OF THE INSPECTOR GENERAL OF POLICE
IN MYSORE

Dated Bangalore, the 18th July, 1932.

From

F. A. HAMILTON, Esq., C.I.E.

Inspector General of Police in Mysore,

BANGALORE.

To

N. Madhava Rao, Esq., B.A., B.L.,

Chief Secretary to the Government of Mysore,

Bangalore.

Sir,

I have the honor to state that the President, District Board, Kadur enquired whether the Musafirkhana buildings at Santhaveri, which are in a dilapidated condition, could be taken over to the Police Department and that as much difficulty is being felt by the Police Staff attached to the out post at the place, for want of quarters, valuation of the buildings were got made with a view to provide proper accommodation for the Daffedar and Constables. The estimated cost of the buildings is ascertained to be Rs.500/- and with some repairs the buildings, I consider, will be suitable for Police Lines.

As the President is agreeable to hand over the buildings at the said price of Rs.500/- it is requested that orders of Government may be kindly obtained in the matter and also for debit of the amount to the Department of Public Works.

I have the honor to be,
Sir,
Your most obedient servant,

F. A. Hamilton

Inspector General of Police.

CHIEF SECRETARY
13 DEC. 1932

Sir,

Re: Musafirkhana Buildings at Santaveri.

With reference to your letter No.P.807 Pol. 26-32-2 dated 5-8-32 on the above subject, I have the honour to state that the Executive Engineer, Kadur Division, who was consulted in the matter writes in his No. 81 dated 17-8-32 that the capital cost of the building as noted in the old printed Register of Buildings is Rs 1500/- and that the date of the construction of the Building has been noted in the register as " Not known ". No information is reported to be available in his Office as to when the building was handed over to the Kadur District Board.

The President of the Kadur District Board states that no information is available in his Office as to when the building was constructed. From a reference to the Meeting Proceedings of the District Board, it is learnt that the building was repaired at a cost of Rs 543/- during 1896-97 and at Rs 485/- during 1904-05 out of the Board's funds. He has sent a copy of Government Order No.2127-9 L.B. 265-10-4 dated 13th September 1911 (copy enclosed for ready reference) wherein sanction was accorded to the reconstruction of the building at an estimated cost of Rs 1035/- using the materials of the old Musafirkhana Building. The funds required for the purpose were ordered to be met from the Board's finances (first para of the Order)

I have the honour to be,
Sir,

Your most obedient servant,

N. Iyengar
Deputy Commissioner,
Kadur District.

Read

Letter No. 342 dated the 26th February 1911 from the President of the District Board of Kadur submitting for sanction an estimate amounting to Rs 1000/- for constructing a new Musafirkhana at Santhaveri in the Tarikere Taluk, using the materials of the existing Musafirkhana proposed to be dismantled since it is in a much dilapidated state and in the midst of unhealthy surroundings.

2. Correspondence ending with letter No. 12 dated 7th July 1911 from the same Officer, reporting that a building of the type plan estimated according to local rates to cost Rs 2700/- is unsuited to the requirement of the place besides being costly.

Order thereon No. 2127-9/L.B. 265-10-4 dated, Bangalore 13-9-1911.

In the circumstances represented, the estimate received from the President is sanctioned for Rs 1035/- as revised by the Chief Engineer. The provision of Rs 500/- made in the current year's District Fund Budget for the work should be utilised to meet the cost of the work and the balance required should be met by reappropriation of the sanctioned grants.

2. It should be noted that gravel flooring and roof of country tiles supported on jungle wood rafters will continue to give trouble and may have to be replaced by a floor of Cuddapa slabs and roof of Mangalore tiles on teak reapers and pists when funds become available.
